1. Approval of March 2026 Board Meeting Minutes

a. Approval of Minutes

As required by the Commission for the Transportation Disadvantaged (CTD) and Florida Administrative Code, Rule 41-2.012(5)(a), the minutes from the March 2026 TD Coordinating Board (LCB) meeting were submitted for approval by the TD board.

Action: A motion was made to approve the minutes as presented. The motion passed and the minutes were approved as presented.
(Motion: Cockman, Second: Evans)

2. Old Business

Mr. Britt informed the board that there was no old business for discussion.

3. New Business

a. Membership Certification

Mr. Britt presented the draft membership certification of the LCB and petitioned recommendations to fill any vacant positions. He also made note of board members that have missed three or more consecutive meetings and requested what action the board would like him to take. The board instructed Mr. Britt to reach out and fill any vacant positions, offering suggestions if they had any. Furthermore, contact any board member who hasn't been to at least 3 consecutive meetings, identify if they are still willing and able to serve on the board, and if not, find a suitable replacement and appoint them to the board.

Mr. Britt also informed board members that they could assign alternates to attend meetings in their stead so long as the alternate was a representative of the same entity as the primary board member.

Mr. Britt took note of suggested updates to the draft membership certification.

Action: A motion was made to approve the draft membership certification with amendments, for ARPC staff to fill vacant positions, contact board

members with 3 consecutive absences, and update replacements as necessary. The motion was passed unanimously.

(Motion: Barton, Second: Cockman)

b. Transportation Disadvantaged Service Plan (TDSP)

Mr. Britt presented the annual update to the TDSP. He reviewed the TDSP page by page making note of any changes that were made to the previous adoption/revision, and highlighted the draft local coordinating board roster that would need to be amended with the suggested updates from agenda item 3a. He presented the rate model and subsequent new rates for Fiscal Year 2026-2027. With no further questions he informed the LCB that the TDSP must be adopted by a roll call vote.

Action: A motion was made to adopt the TDSP by Roll Call Vote. The motion was passed and the LCB held a Roll Call Vote to adopt the TDSP.

(Motion: Barton, Second: Evans)

The TDSP was unanimously adopted with amendments by those in attendance.

c. Community Transportation Coordinator (CTC) Report

Ms. Edwards presented the reports from January 1, 2026 to March 31, 2026. She reported that the CTC had 4,555 total trips, 2,219 of which were CTD/TDTF funded trips. She reported a total of 206,960 vehicle miles, 233,732 revenue miles, 206,960 passenger miles, 95 no-shows, and 218 unduplicated passengers. It was also noted that they spent \$203,084.64 of their \$265,398 allocation for FY 25-26.

Ms. Edwards also distributed the CTC's new brochure they had printed out for presentation to the Board. There were several concerns from the Board members regarding the new brochure, including discrepancies of the information provided in the handout with what is listed in the Wakulla County Transportation Disadvantaged Service Plan, the Wakulla Senior Citizens Council's website, and the Wakulla Senior Citizens Council's Facebook page, covering things such as the cost of trip co-payments for riders, hours of operations, and the advanced reservation requirement policies. Ms. Edwards stated that the new information in the brochure was accurate, and it was determined that Wakulla Senior Citizens Council needs to provide the designated planning agency with the new information so it can be updated in the TDSP and reviewed for approval by the Board.

Another concern regarding the new brochure was brought forward from Board member Tara Cockman, emphasizing that this brochure visually appears to be just for the Wakulla Senior Citizens Council's senior center clients. She stated that her agency has many clients that could benefit from the TD program services, as options are limited for transportation to Tallahassee, especially regarding employment trips. She asked for the CTC to consider developing a new brochure that is more clearly defined as being for the entire county, as she is concerned disadvantaged individuals

throughout the community would not be aware they could benefit from the TD program just by looking at the brochure presented by the CTC.

Ms. Edwards emphasized to the Board that Wakulla Senior Citizens Council provides a lot of after school trips for kids. She stated that the CTC had not printed a lot of the brochures before presenting them to the Board, and would make the necessary changes to ensure transparency for potential users from the entire county.

Board member Jeanie Booth asked the CTC if operational hours would be expanded for workers needing transportation outside the office hours listed in the new brochure as Monday – Friday, 7:00 a.m. – 4:30 p.m. EST. Ms. Edwards stated that the CTC is planning to update the operational hours sometime in the future and expand services to 8:00 a.m. – 5:00 p.m. EST.

e. FY 2026-2027 TDCB Meeting Calendar

Action: A motion was made to approve the FY 2026 – 2026 TDCB Meeting Calendar. The motion was passed and the meeting calendar was approved.
(Motion: Barton, Second: Booth)

f. Commission for the Transportation Disadvantaged (CTD) Update

Mr. Britt informed the Board that the Commission voted in April to award Wakulla Senior Citizens Council the Wakulla County 2026 – 2031 CTC designation. He then presented to the Board an example Memorandum of Agreement (MOA) between the CTD and the applicant in its entirety, reviewing the listed requirements and expectations of the applicant in its agreement to serve as the CTC for Wakulla County. Mr. Britt requested a motion from the Board to approve that they had

reviewed the MOA between the Commission and the Wakulla Senior Citizens Council.
